

**Empowering Homeworkers in
ASEAN Countries through the
Usage of ICT
12 - 23 February, 2009
STOU-Bangkok – Thailand**

Rough Template of Country Report

1. Country Profile about ICT & Homeworkers : within 15 Jan. 2009

Actually, we have already drafted up some information about all the relevant issues to help PR your country profile, so please kindly help fulfilled / re-check , etc. that would make all 10 countries' profile more meaningful and updating. Some fundamental topics in your country report should composed of these following topics please.

1.1) Overview of your country profile especially about the holistic of ICT

- 1) Your overall country's profile with some photo;
 - 2) Your overall country's profile about ICT, i.e. the ICT policy, the ICT infrastructure, etc.
-

1.2) Overview profile about Homeworkers in your country

- 1) Your overall country's profile about "Formal and Non-formal Economy", any relevant policy, welfare, statistics, etc.
 - 2) The overall Homeworkers : Non-formal-Economy groups in your country;
 - the relevant policy, welfare, statistics,
 - their communities, their products, their markets, etc.
 - their problems & needs, etc.
-

1.3) Overview profile about "How ICT could be applied / help their homeworkers"

- 1) What type of ICT that the homeworkers in your country access / use, etc. and How they use it, etc?
 - 2) How the homeworkers in your country use ICT for their betterment (in What Way? / How?)
-

2. Things to do before joining this Workshop & ICT Training : 12-23 Feb.09

- 1) Visit our website : www.Thaiaseanhomeworkers.org
- 2) Help contributing this website by sending all your relevant information i.e. any update of your country information, any announcement, any photo, any suggestion, any of your database about your networks, your organization, etc. to us then we will updating it into your country profile as well as help translating it into Thai version too.
- 3) You are very welcome to send your web-link to us as well as any suggested webs because we aim to use this website to be as our coordinating web too.
- 4) Any suggestion from you all would be most welcome, please

3. Country Exhibition during 12-23 Feb.09

This 12 days workshop and ICT training among all of our 10 ASEAN countries would be more meaningful if we all could bring along some of our home-based works to show, to share, to sell among each other. We will prepare some space for your demonstration or display or exhibition, if you please.
