

# ICT to Empowering Homeworkers in ASEAN Countries

# The Objectives :

- 1) Aimed to empower both of the urban and rural ASEAN HWs with ICT
- 2) How can HWs be empowered by ICT?
- 3) How can it sustained after providing them all the empowering opportunities i.e. training, study trip, conferences, workshops and even e-forum (website)?

# Training Handbook : How to Create, Use, and Manage Website :

[www.ThaiAseanHomeworkers.org](http://www.ThaiAseanHomeworkers.org)

# What Should be Pursued?

- 1) Promote more networks & collaboration all ASEAN & partners: off-line & on-line activities;
- 2) Support more creative empowering academies : on-line & off-line i.e. ICT, Managerial/ Commercial, etc.;
- 3) Support more : on-line and off-line commerce activities in ASEAN and others;
- 4) Support more regional & global exposure to all the ASEAN HWs i.e. cross study visit
- 5) Setting up the **Coordinating Hub** : on-line and off-line

**Thank You So Much for Next Support...**

**Phase II : ASEAN HWs & ICT Family**
